

One Day Disco Darlin's Tournament

The Disco Darlin's one day tournament is a NEW addition to The Mission Belles 2026 experience. This is not intended to draw from The Mission Belles two day field, it's a way to include players who could not otherwise join in the fun. We will cap participation at 24 players.

Who is **eligible** to play ... LCOM members who are new to golf and are not ready for a two day 18 hole tournament. LCOM legends who can no longer play two back to back 18 hole rounds. LCOM members who have a high handicap (>36) and just want to get out and have some fun without the competitive pressure. Guests without a GHIN may play, they will play as if they were a scratch golfer and get zero handicap.

What is the **game**... This will be a half day 9 hole par 3 course, played in pairs, on Thursday, October 1st. It will be a Better Ball game (the best score on each hole of the pair). There are prizes awarded for First and Second place Gross & Net given at the Champions Dinner on October 1st.

May I **invite** a non LCOM member... You may invite a guest or play with another LCOM member but we ask that you adhere to eligibility as stated above. If you want to play and don't have a guest or member in mind, no problem. Register as a single and you will be automatically paired up.

What's included in my registration fee.... Half day golf on October 1st (Par 3, 9 hole course) Pink Pony Disco Party night of September 29th, Champions Dinner night of October 1st, Breakfast Bag, on course games & food, Swag, Prizes and tons of FUN!!

For more details and help with this tournament entry, contact Carolyn Kaneda at Carolynkaneda@gmail.com. See below for schedule.
