We have two tournaments running concurrently, our two day Rhinestone Belles and our one day Disco Darlins. Head to the section of this booklet for your tournament.

All golfers will participate in the same raffles, parties and Champions Dinner. Remember, you must be present to win — raffles will be drawn at the Champions Dinner.

Get ready for **9 holes of fun, teamwork, a few playful twists, and plenty of chances to win!** The Disco Darlin's Flight is designed to keep things moving, keep everyone involved, and make Day 2 of The Mission Belles a great time for golfers of all levels.

THE BASICS

- **Format:** 9-Hole, PAR 3, Step-Aside Scramble
- **Tees:** 150 marker (approx) for all holes, making every hole on the course a PAR 3
- **Transportation:** All players must use a cart
- **Handicaps:** September 25, 2026 handicaps will be used for the applicable Par 3 team handicap to be applied, with a max individual handicap index of 36 and 10 stroke differential
- **Scoring:** Record **one gross team score for the foursome per hole** on the scorecard provided.
- **Non-postable round**
- **Par 27 for the round; Each hole is a Par 3.**
- **All final putts for the team must be holed out.**
- **One mulligan shot per player to be used only ONCE, for any shot, during the round.**

HOW THE STEP-ASIDE SCRAMBLE WORKS

- 1. Everyone Tees Off** All players hit from the indicated tees or markers in the fairway.
- 2. Pick the Best Shot** Choose the ball in the best position that your 2 person team wants to play.
- 3. That Player Steps Aside** The player whose shot was selected sits out the next shot. The other player hits from that location.
- 4. Choose Again & Keep Going** Select the best of those three shots. The player who hit the selected shot then steps aside for the next one. The player who shot the first shot is now able to play again.
- 5. Repeat Until the Ball Is Holed** Continue the same process all the way to the green and into the cup.

Disco Darlin's Fun Rules
